

Tēnā koutou Tui Whānau,

Please find below our Newsletter for this week.

Home learning is from today till Wednesday next week and can be found on our school website here- [Learning From Home](#) Teachers will be available from 10 am - 2 pm to respond to emails.

We understand everyone's situation is different during this tricky time. For this reason we encourage you to do what is manageable and best for your family and tamariki.

Sunshine Online-

Included in this week's learning from home is a link to [Sunshine Classics](#). This is a new resource students can use to read at a level right for them. Your child's teacher will send out login details for you to access this.

For further information on how to access Sunshine Classics please see the attached page below.

Well-being Tips

- Set-up and Maintain routines: Create a morning routine that works for you, even if you do not have much to get done in the day knowing what to expect helps keep kids (and adults!) more settled.
- Schedule times for eating: At school our tamariki have a set time to eat morning tea and lunch, try and keep these routines at home.
- Schedule exercise breaks: This can be as simple as a timer set for a 5min dance party.
- Use positive language: Children will be looking for cues on how to respond to difficult situations from the adults in their lives.
