

## Week 9-10 Tui Whānau Newsletter

Tēnā koutou Tui Whānau,

This week's learning is designed to go from Wednesday until the end of the term. We have included some end of term activities to add some fun to the end of Term 3. Our home learning document can be found here- [Click](#).

With a move to Level 3 many families will be adjusting to new routines. Remember to be kind to yourselves! We understand everyone's situation is different- do what works best for you and your whānau.

### Whānau Challenge

For some end of term fun our photo challenge is sending you outdoors to try and complete as many of these activities as you can- [40 ka pai things to do outside!](#)

As evidence of completing a task, post a photo to your class's padlet.

The students with the most completed tasks will make the Tui Whānau end of term podium.

### Well-being

**Identifying Feelings:** A feelings diary can help your child to identify feelings and help them understand that feelings change. Try to spend time talking about one or two feelings your child has had each day. If they have difficult feelings (anxious, lonely, sad or frustrated) tell them that it's okay to feel like this and completely normal, especially because of everything that is happening.

**Connect to your community:** Complete the spoonville activity from our learning from home document to connect with your community.
