

Kia ora koutou Whānau,

Today marks the beginning of Week 7, Term 4 . We continue to be impressed with the Online Learning the Year 7 & 8s are doing and the awesome attitudes our Year 7s & 8s have returned to school with.. It has been awesome to see so many smiling faces in our Google Meets the last few Fridays.

LEARNING THIS WEEK

Coming up in Week 7, A range of activities as we wind down slowly. The Gratitude Jar, based around music, art, word knowledge, 60 Minute Challenge, where we have incorporated the learning platforms into a task, continuing with some Perspective Art and ending the week with some STEAM challenges. (Science, Technology, Engineering, Art and Mathematics).

READERS AND RESOURCES

If you have readers, journals, library books, or any other school resources at home can you please return to school? Please look under students' beds for long-lost resources. **If you are not returning to school there will be a drop-off box outside the school office.**

Keep checking the School Website, Facebook page, and Hero updates for information about Learning from Home, Term 4, and our Covid Levels.

Stay safe. Kia haumarū te noho,
Miss W and Mrs Fraser
