

Kia Ora Koutou!

Welcome to the fourth week of Kea Whaanau online learning during this Level 4 Lockdown.

It is crazy to think that we are now in Week 7 of Term 3. We hope you are all safe and well within your bubbles, and that you have been taking advantage of some of the sunnier weather we have had in the last few days to get outside for a wander around the block, or a game in the back yard to stretch your legs and get some fresh air.

Attached to this email is our E-Letter for this week - Wednesday 8th September till next Wednesday 15th September.

Accessing Learning from Home

The level of engagement across our range of platforms from our Year 7 & 8s during this time is still rising, and we are impressed by the attitude and enthusiasm that has been shown towards the learning tasks.

If you would like to have a look at some of the learning that is being completed by others in our class then you can head over to our classroom webpages ([Room 12](#) Webpage and [Room 14](#) Webpage).

If there are any concerns about how to access Learning from Home, we are sharing via:

- emails (such as this);
- our web pages ([Room 12](#) Webpage and [Room 14](#) Webpage)
- Google Classroom
- the Hero app.

Reminders

A reminder that we are available from 10 am - 2 pm to respond to emails and assist with other learning enquiries. With Google Classroom we are finding that there is a lot more marking to be done but we are also balancing our own family commitments.

We love receiving emails from you about your learning, having slides shared with us and seeing photos of what you are busy doing in your bubbles. Please keep sharing these with us so that we can share them on our class websites

And remember to contact us if you have any questions or queries.

Stay safe. Kia haumaru te noho,

Miss W, Mrs Fraser & Mrs Hemi.
